How is it possible these two photos exist at the same time, in the most prosperous and technologically advanced moment in our history?

**How do we circulate
the sacred?**

An aerial photograph of a beach at sunset. The ocean waves are breaking on the shore, creating white foam. The sand is wet and reflects the golden light of the setting sun. There are some dark rocks scattered on the beach.

Faith is a withholding of
conclusion so that you
allow what is to arise.

BE FORMLESS. **LIKE WATER.**
SHAPELESS.

YOU PUT WATER INTO A CUP,
IT BECOMES THE CUP.

YOU PUT WATER INTO A BOTTLE,
IT BECOMES THE BOTTLE.

YOU PUT WATER INTO A TEAPOT,
IT BECOMES THE TEAPOT.

WATER CAN

**Who do I have to BE
to circulate the sacred?**

**How do we cultivate
noble friendships?**

**How do we learn to
trust in the
Law of Love?**

**If we can see the invisible,
we can do the impossible.**

Thank you!
